

CAL SHAKES

CALIFORNIA SHAKESPEARE THEATER

Position Description

A2

Seasonal/Non-Exempt position

The Opportunity

The A2 position is a Seasonal/Non-Exempt position in the Sound department, reporting to the Sound Engineer (SE). The A2 shall function as the deck technician and is primarily responsible for maintaining and distributing the wireless mics. The A2 may also serve as secondary sound board operator. We are looking for a person who likes to work outdoors, a team collaborator that aspires to be a part of the creation of great theater.

The Organization

Description: With offices in Berkeley, an outdoor main stage performance venue in Orinda, and community programs throughout the Bay Area, Cal Shakes expands access to and relevance of the arts by fostering a participatory culture among a diversity of audiences, artists, and learners throughout the Bay Area. California Shakespeare Theater strives for an inclusive work environment and works to actively embrace a diversity of people, ideas, talents, and experiences. We highly encourage people of color, individuals with disabilities, and other historically underrepresented groups in our community to apply.

Mission: Cal Shakes redefines the classical theater for the 21st Century, making works of extraordinary artistry that engage with our contemporary moment so we might learn about ourselves and each other in the fullness of our world.

Equity, Diversity, and Inclusion (EDI) Statement: At Cal Shakes, we believe that equity is a practice. Our actions--both onstage and off--can have a positive social impact by exposing oppression, addressing historic injustices, and showing how power can be transformed and shared in different ways. We endeavor to dismantle systemic bias by actively including, reflecting, and creating opportunities for our diverse Bay Area communities. We recognize that this work is ongoing and often imperfect, but we are committed to facilitating respect for the many facets of the human experience

Qualifications: Candidates share with us a respect for diverse backgrounds and voices and a commitment to inclusion and equity. Have appropriate knowledge of wireless mic operations, basic rigging and backstage audio and video monitoring systems. Demonstrate troubleshooting, maintenance abilities and a commitment to safety and safe practices in the theatre. Candidates should be comfortable working at heights (ladders, genie lifts, catwalks and truss), and be able to lift 30 pounds over your head. Have good time management & punctuality.

Duties and Responsibilities:

Fulfillment of these responsibilities is accomplished in the following ways:

- Wireless Mic technician. Working with the Sound Designer, Sound Engineer, and actors to prepare the mics and keep them working for productions.
- Working with the Sound Engineer on installation and strike of all sound equipment and elements in a timely manner.
